Important Notice: Replacement of Life Insurance or Annuities

This notice must be signed by the applicant(s) and the insurance producer. Send the original to Farmers Life Insurance Company and a copy is to be left with the applicant(s).

1. Replacing your life insurance policy or annuity?

If you are thinking about discontinuing or changing an existing life insurance policy or annuity contract and buying a replacement, your decision could be a good one – or possibly a mistake. Make sure you understand the facts. You should:

- Make a careful comparison of your existing policy and the proposed policy.
• Ask the company or agent that sold you your existing policy to provide you with complete information about it.
• Consider both sides before you decide.
• Consider your present health. You may have had a change that could affect your insurability, so make sure to continue your present policy until a new policy is delivered to you and accepted by you.

This form must be completed in triplicate and the original given to you by the agent proposing replacement no later than at the time you apply for the new policy. (This form must be completed and given to you even through the proposed replacement policy is with the same company that sold you your existing policy.)

2. Existing Policy (if more policies are involved, use additional forms.)

Table with 6 columns: Insured name(s), Company, Policy type*, Policy number, Issue date, Basic policy face/annuity amount, Type of optional benefits. Includes three rows for data entry.
