## Multi-Year Guaranteed Annuity (MYGA)

### Rate Lock Policy

#### ***For New Policies***

Farmers Life Insurance Company (“Farmers”) will lock in the current rate for 60 days when the application is signed and received before the next rate change effective date. This feature avoids a rate decrease during the process of premium submittal. The rate lock will only take effect if Farmers receives the premium and all paperwork is in good order within 60 calendar days from the date of application receipt.

Farmers will give your client the benefit of the higher rate between:

- (1) The date the application was signed    OR    (2) The date the contract is issued.

Farmers reserves the right to close any application that is not in good order and return all funds received to date. The application will be voided, and the rate lock will not apply.

#### ***For Existing Policies***

If a policy has been issued by Farmers Life Insurance Company and the contract is within the Free Look Period, a request for change may be made if the following steps are taken.

- (1) Wait 20 days from the date of contract issue.
- (2) Complete the **Statement of Change** form agreeing that interest will be forfeited on the existing Farmers contract.
- (3) Submit the form with the new application.

All three requirements must be met. New applications will not be accepted in the first 20 days of the Free Look Period. **NO EXCEPTIONS WILL BE ALLOWED.**
