State Withholding Please check one

- Withhold the amount required by law.
- Withhold another amount \$ _____, or _____ %
- Do not withhold. I live in a state that allows me to opt out.

Notice: Federal law requires withholding a minimum of 10% federal income tax from taxable distributions, unless you elect not to have taxes withheld, or specify a different withholding amount. Withholding will only apply to that portion of your distribution that is includable in your income subject to federal income tax. You may revoke this withholding election at any time by contacting Farmers Life Insurance Company in writing unless the distribution is from a tax-sheltered annuity or qualified plan that is eligible to be rolled over to an IRA or qualified plan. In these cases, the distribution will be subject to a 20% mandatory withholding therefore you may not elect to waive the federal income tax withheld. Electing not to withhold at this time does not release the liability for payment of federal and, if applicable, state income tax on the taxable portion of your payment. You may incur tax penalties if your withholding and tax payments are not adequate.

Farmers Life Insurance Company will not render tax advice. We suggest that you consult your tax advisor regarding your financial situation.
